For the attention of Joyce Learmonth

Dear Madam

**PLANNING PERMISSION REF: 11/00174/PPP
PROPOSED ANAEROBIC DIGESTION PLANT, FORMER MILLERHILL MARSHALLING YARDS,
MILLERHILL, DALKEITH
APPLICATION FOR APPROVAL OF MATTERS SPECIFIED IN CONDITIONS**

Following the approval of the application for Planning Permission in Principle for the Waste Treatment Facilities at Millerhill (ref: 11/00174/PPP) by Midlothian Council, Zero Waste: Edinburgh and Midlothian identified Alauna Renewable Energy (ARE) as the preferred bidder to progress proposals for the Anaerobic Digestion (AD) plant only. ARE are now proposing to develop the food waste recycling plant with the submission of an application for the Approval of Matters Specified in Conditions.

Accordingly, on behalf of ARE, we enclose with this letter, one copy of each the following in relation to the AMSC application:

- Completed application forms/certificates/notices;
- Cheque for £7,337 made payable to Midlothian Council, as the application fee;
- Application drawings;
- Supporting Planning Statement;
- ES Mitigation Report (including technical appendices: Landscape and Visual Impact Assessment, Ecology Report, Noise and Vibration Impact Assessment, Air Quality and Odour Impact Assessment);
- Design and Access Statement;
- Soft Landscape Specification;
- Soft Works Plan;
- Landscape Management Strategy;
- Millerhill site-wide Drainage Strategy; and
- Phasing Schedule Plan.
